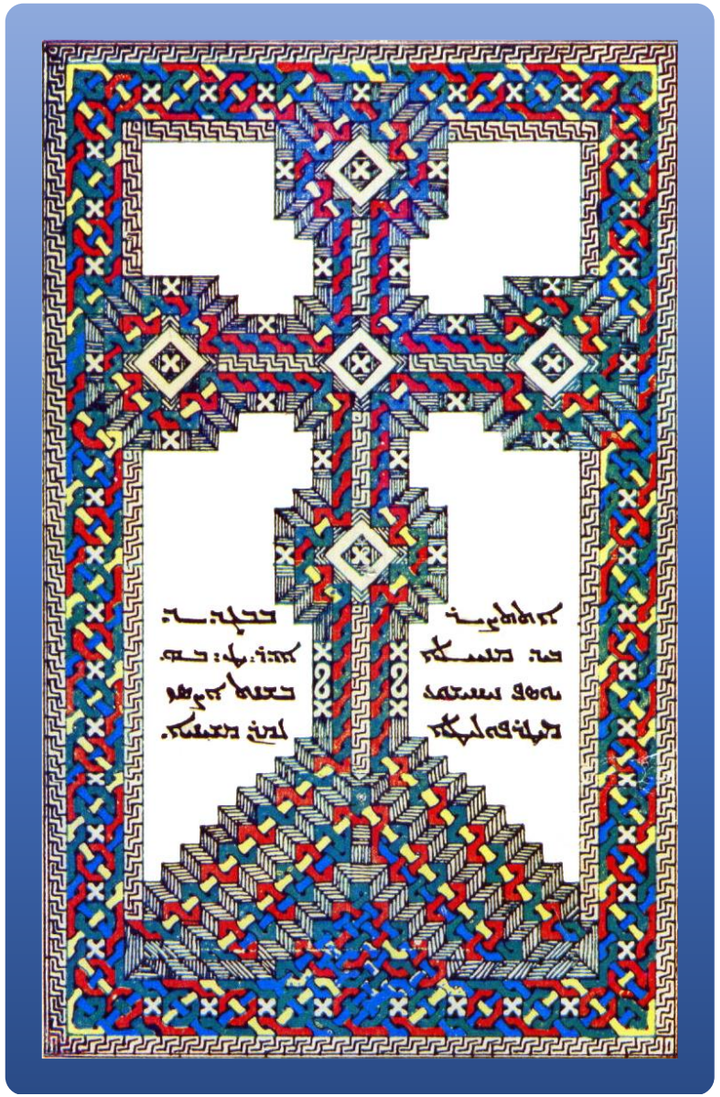
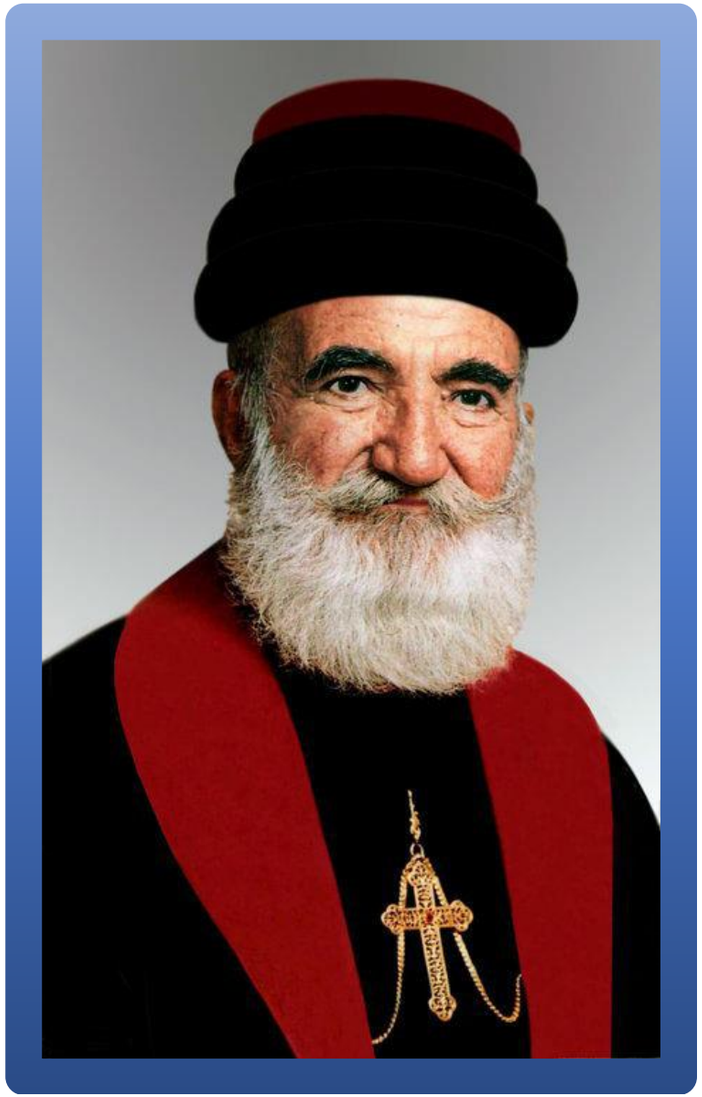
Acknowledgement

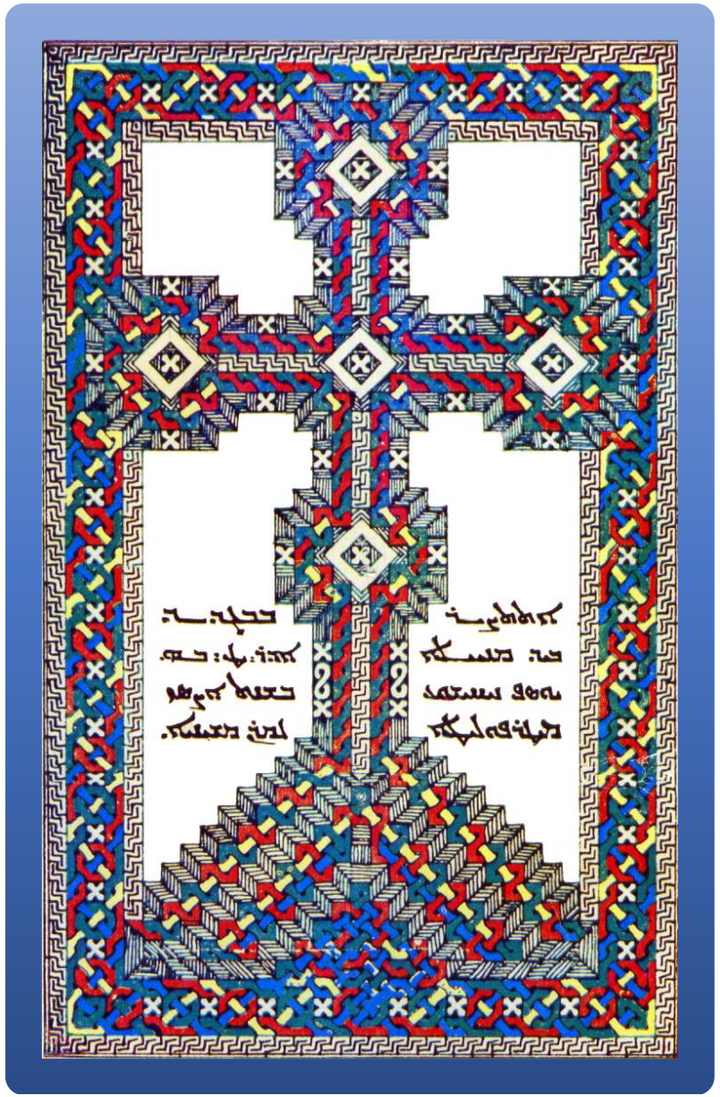
Apart from the efforts of myself, the success of any project depends largely on the encouragement of many others. I would like to show my greatest appreciation to my friends, especially late Mr. Mirza Shmoil, late Dr. Goliath Nessan, Dr. Binyamin Geva, and Mr. Khairy Jajo for the encouragement that I have always received from them in publishing my previous books, and developing my software. Also, I personally would like to thank my late father, Petros Cherry, for he always supported and encouraged me while working on Assyriological projects.

I dedicate this book in memory of His Holiness ✝ Mar Yousip Khnanisho

Archbishop of Shamisdin and Rustaqa







Seventy-Two Years of Dedication Toward His People, Church and Assyrian Nation

Thursday, May 18, 1893 (Mar Ishoo, Turkey) – Sunday, July 3, 1977 (Baghdad, Iraq)
